LIMITED WARRANTY

All Cathodic Technology Limited (CATH-TECH™) rectifiers, instruments and equipment are warranted against defects in materials, design or workmanship for a period of two years from date of sale. This warranty excludes damage due to misuse, abuse, tampering or acts of God such as fires, floods, wind damage, lightning etc.

We will repair or replace at our option any defective component, after prepaid return to & examination in our manufacturing facility, if the fault is due to defective materials or labour, within two years of the purchase date. For warranty repair, a repair authorisation must be obtained from CATH-TECH™ prior to shipping the defective unit pre-paid to Cathodic Technology Limited at 1 Marconi Court, Unit #15, Bolton, Ontario, Canada, L7E 1E2.

Note: *There is no warranty expressed or implied on batteries.*

CATH-TECH™ POLICY

- CATH-TECH™ extends a two (2) year in use warranty on all units, which have been designed by CATH-TECH™ staff.
- CATH-TECH™ reserves the right to make any changes in design or specification which it deems an improvement, with no liability to make the same changes on existing equipment.
- This warranty is in lieu of all other warranties or guaranties, expressed or implied, which might otherwise exist. The purchaser is relying only upon this guarantee and not upon any representations not herein expressed.
- Any material or equipment being returned to the factory must first have return authorisation from CATH-TECH™.
- Disposable survey wire, Cu/CuSO₄ reference electrodes, survey pole and wire dispenser cables are considered consumable/wear & tear items and are not covered under our warranty policy.
